ADDRESS

A sample sentence for cursive writing is given to you and the others you can search on your book and write one page cursive every day in your English writing copy with day and date is mentioned on top of the copy.

Paragraph

Write this paragraph on the lines given below.

A tree is a tall plant with a trunk and branches made of wood. Trees can live for many years. The four main parts of a tree are the roots, the trunk, the branches, and the leaves. Trees take in water and Carbondioxide and give out Oxygen. The tree is often used to represent nature.

Handwriting practice lines consisting of eight sets of three horizontal lines (top, middle, bottom) for cursive writing.

Date : Name :

1. READING SKILL

Aman loved reading books and talking about them. He formed a book club at his school to share his passion for reading with his classmates. Every week, they gathered in the library and discussed the books they had read. They recommended their favorite stories to each other and shared their thoughts and opinions. Aman was thrilled to see his friends discovering the joy of reading and growing their collection of books.

Answer the following questions briefly:

- a) What did Aman love doing?
- b) What did Aman form at his school?
- c) Where did the book club gather?
- d) What did the classmates do in the book club?
- e) How did Aman feel about his friends' involvement in reading?

Sneha and Ravi are siblings. They love playing outdoors. Today, they decided to go cycling in the park. They rode their bicycles and explored the beautiful surroundings. They spotted colourful flowers, chirping birds, and children playing. Sneha felt happy and asked Ravi, "Isn't this amazing?" Ravi nodded in agreement. They cycled for hours and enjoyed themselves.

Questions:

1. Who are the main characters in the passage?
2. Where did Sneha and Ravi decide to go?
3. What did they spot during their ride?
4. Did Sneha feel happy or sad?
5. How did the siblings spend their time in the park?

In one of the large cities of China there once lived a tailor, whose name was Mustapha. Mustapha was very poor, and found it hard to provide food for himself, his wife and his only child, Aladdin. He is very naughty and lazy boy. He would never do what his parents wanted to do. But he played in the streets from morning till night with other naughty boys. When Aladdin grew up a little, his father took him to his shop and tried to teach him how to use a needle. It was of no use. His father tired him over and over again. But he didn't give up his idle way. At last, his father was so angry and upset at his son's habit that he became ill and soon died.

Answer the Following Question

- a) Where did the Mustapha live?
- b) How many children did he have?
- c) What did Aladdin do all day?
- d) What did Mustapha do when Aladdin grew up a little?
- e) What happened to Mustapha because of idle habits of his son?
